

NORFOLK YOUTH SUMMIT 2021-22

WE'RE RECRUITING SUMMIT AMBASSADORS
FOR THIS YEAR'S SUMMIT!

Are you in year 10-12 and interested in Youth Activism and being a voice for Norfolk's Youth?

We are looking for engaging young people to help in running this year's Norfolk Youth Summit, which brings together pupils from schools across Norfolk to discuss issues which matter to the most to your generation.

Each term we host a group summit on a different topic which includes expert speakers and an opportunity for you to discuss important issues such as Climate Change, Diversity & Inclusion and Mental Health.

So far we've worked with pupils from 8 schools but we want to make it bigger and better for 2022. As an ambassador you'll be helping with deciding discussion topics, chairing summit sessions and recruiting your peers to take part!

To register your interest send an email to partnerships@norwich-school.org.uk by 14th January 2022
